Municipal Councils under section 161 of the Mysore Municipal Regulation VII of 1906 are credited to Municipal Fund in pursuance of section 5-1 thereof and Government-order No. 6000-19/Mi.247-09-5 dated 18th January 191

5-3. The Village Sanitation Regulation and Rules framed thereunder apply to non-regulation Municipalities and District Board areas, and under Section 4(2) of the Regulation and Rule 2 of Section VIII of the Rules, all fines imposed by Magistrates for breaches of those rules are credited to the Municipal or District Board according to the nature of the area with which the breach occurred.

5-4. The case of the Kolar Gold Sanitary Board, however, differs from these local bodies in this respect. It is constituted under the provisions of the Mysore Mines Regulation and Section 34 thereof provides for the imposition of fines by Magistrates for breaches of Sanitary rules, but-

GPB—70,000—17-12-15

Serial No.

does not specify the fund to which the proceeds should be credited. As the Rules framed by Government under that Regulation are also silent on the point, the fines are credited to State funds under the head "Law and Justice".

55. Though the amount involved is only Rs 168 on an average, the Financial Secretary to Govt objects to the grant of the Residents' request on other than financial grounds

56. The matter was considered in Council. The Opinion of the Second Member, Extraordinary Member and myself is that the Regulation may be amended to give effect to the proposal. The First Member, however, considers that the matter is not important enough to justify fresh legislation or an exceptional order.

57. In these circumstances, I recommend that to remove all doubts the law may be amended as suggested by the Council

NOTIFICATION.

No. 112—L. C., dated Bangalore, the 12th December 1914.

Under Rule 31 of the Rules for the conduct of business of the Mysore Legislative Council, the following Bill further to amend the Mysore Mines Regulation, 1906, is published for general information together with a statement of objects and reasons.

By Order,
G. SREENIVASA IYER,
Secretary, Mysore Legislative Council.

A Bill further to amend the Mysore Mines Regulation, 1906.

Whereas it is expedient further to amend the Mysore Mines Regulation, 1906; His Highness the Maharaja is pleased to enact as follows:—

Addition of a new section as section 36A.

The following new section shall be added after section 36 as section 36A:—

"36A. All fines imposed for the breach of any bye-law made under sub-section (2) of Section 35 shall, when recovered, be credited to the funds of the Sanitary Board constituted under sub-section (1) thereof."

Fines to be credited to the funds of the Sanitary Board.

Statement of Objects and Reasons.

At present all fines realised in Criminal Courts for breaches of bye-laws made by the Kolar Gold Fields Sanitary Board are being credited to the State Funds. The President of the Board urges the necessity of crediting the fines to the funds of the Board as the entire sanitation of the area under the control of the Board is attended to by the Board at a heavy cost.

In the case of Municipalities fines imposed in prosecutions directed by Municipal Councils under Section 161 of the Mysore Municipal Regulation, 1906, are credited to Municipal funds in pursuance of Section 51 of that Regulation and Government Order No. 6000-19—Ml. 247-09-5, dated 18th January 1911.

So also fines imposed under the Village Sanitation Regulation and Rules thereunder are credited to the Municipal Council or the District Board according to the nature of the area within which the breach occurred. Government therefore think it desirable to amend the Mysore Mines Regulation so as to authorize fines levied for breach of any bye-laws framed by the Sanitary Board being credited to the funds of the Board instead of to State Funds as at present.
